Dear Sir / Madam,

Local Councillors and the Clifton and Wilford Neighbourhood Management Team will be hosting a presentation evening in July to celebrate the excellent work undertaken by local residents in the Clifton and Wilford area. We are asking you to nominate anyone you know who you feel should be recognised for their efforts to make the area we live in a better place.

They could be:

- A dedicated person helping a neighbour or a relative who is ill or disabled achieve a better quality of life
- A community volunteer working with a group or individually in the area
- A person campaigning on behalf of the community to get your voices heard
- Someone who ensures the environment of Clifton, Silverdale or Wilford is kept clean and pleasant to live in
- A young person who is giving their time and energy to make things better for a sick relative, friends or the neighbourhood

The list is endless and these are just a few ideas of the sort of people we are looking for.

Once you have asked the person if they are happy with you nominating them, all we need to know is their name and address and why you feel they should be recognised. Please provide your own contact details as well.

If you know someone who fits the bill then please let us know and get in touch on 0115 878 6247, or email andrew.barden@nottinghamcity.gov.uk or you can drop off the details direct to us at the Clifton Cornerstone by filling out the form overleaf, with your entry marked 'Celebrating Volunteers in Our Community'.

Nominees will be invited to a celebration evening and presentation due to take place on **Thursday 1st July** at the British Legion here in Clifton. The closing date for nominations is **Friday 18th June** so don't delay!
